- 2. Student Health Information Form.** It is very important that the school nurse has current medical information for your child. Parents/Guardians are requested to fill out a **Student Emergency/Medical Information Form (S-865)** within the first week of each new school year and whenever the student's medical information changes. This form also has the option for parents/guardians to give the school nurse permission to dispense Tylenol and/or Motrin (brand name or generic). There is also an option to **Not dispense Tylenol and/or Motrin.** See the link below for the required health form(s).

- 3. Medications at School. ALL MEDICATIONS GIVEN AT SCHOOL MUST BE RENEWED BY THE DOCTOR OR HEALTH CARE PROVIDER EVERY NEW SCHOOL YEAR.** This includes prescription as well as over-the-counter medications (**Except for Tylenol and/or Motrin; See #2 Above**). The school medication form is also required for any special **medical equipment** (such as blood sugar testing, tube feedings, catheters, etc). The school medication form has to be completed by your child's health care provider, then signed by the parent/guardian. See the link below for the required medication form(s).
