Parking Lot Protocols

We need your help to make this work!

Three steps for using the parking lot during admissions.

STOP – Bring your car to a complete stop.

DROP – Have your child to leave the vehicle safely, but quickly.

GO – Keep the car line moving and exit the parking lot.

**Important Note:** There is a “No Parking Zone” on Knights Road, between Chalfont and Patrician, on the school side.  
This lane is reserved for buses only.

Thank you for your attention to this matter!
Working together, we can make it work!

Thank you,
FitzPatrick Leadership Team

😊
